Please make cheques or Postal Orders payable to "ATPH" but leave the Postal Orders UNCROSSED so that we can use them in the Post Office to pay for postage. If you wish you can also pay with English banknotes (plastic, not paper) but, please, **no coin**. Thanks.

## From the Office

### Photo prices

Our photo lab is reviewing their prices. If there is a price change before the order deadline this will be reflected in the prices displayed for this on-line issue of PhotoNews. At the moment they remain unchanged.

### Hustwitt photos

If anybody would like a full list of photos of coach rallies (Brighton, Clacton or Blackpool) or any of the Lorry Driver of the Year events by Arthur Hustwitt, please send C4 size stamped addressed envelope. Prices will be the same as for PhotoNews photos if ordered before December 1<sup>st</sup> but may increase if the lab increases their prices. Cheques should be payable to ATPH.

### DNC passenger vehicle photos (in this PN)

In-between rescanning many of the negatives for PN 143 I have gone through this month's offerings to remove the buses not displaying route info. There are two with blank displays but otherwise the local (to Worthing) shots all display route info.

### DNC Bob's Commercial Vehicle List

Addendum 13 has been withdrawn for reasons explained elsewhere and a new Addendum 13.2 is now available. As ever, a stamped addressed C4 size envelope would be appreciated and Addendum 14 will become available during October.

### Digital Photo Exchange

If any readers would be interested in exchanging their digital photos or negatives/slides for prints or digitised copies from the main catalogue please email me bob@transportphotos.com

If you spot anything wrong in this PhotoNews, I'm on 01903 235167.

Have fun
